

To complete camp registration you MUST already be approved for Rutgers CCN. DO NOT sign up for camp if you are pending approval. Your registration will be canceled.

Please read all steps for registration

Rutgers CCN Parents,

Thank you for your interest in our Summer Camp. Please see below the instructions for registering your camper for Summer Camp 2024.

Step 1) Use this [link](#) to create an account and register your child for Summer Camp 2024. At checkout, please use the code CCN2024, you will be prompted to pay the \$50 registration fee per camper, as well as any Before & After Care you may have added to the registration. If you have needs for **Before & After Care** during Summer Camp, this must be paid by the parent and is not covered by CCN.

Step 2) Once registration and payment of the registration fee is complete, the provider's agreement can be completed by the EHTPAL office. Agreements can either be mailed or brought to our office, located at 2542 Ridge Ave, EHT NJ, 08234. Once the agreement is returned to CCN by the parent, we will then advise what the parents' co-pay is. Copays are due at the beginning of the month of service. Rutgers may state on your paperwork 'no copay', this does not rule you out from having a copay during summer camp. 'No copay' for CCN means you are getting the max amount of financial assistance from CCN. This does not mean the payment covers the entirety of summer camp tuition.

Before/After Care payment is required at time of registration. (fees will be higher and must be paid at the time of drop off/pick up if they are not pre-registered.)

(Our website states registration is waived and discounts are offered for full time campers, this does not apply to Rutgers CCN since payment in full is due at time of registration to receive this offer.)

If you need further assistance or have any additional questions, please email registration@ehtpal.org

Thank you-
